### **Marco's Pizza, Charlotte — *Shift Lead***

SEPT 2017 - JUN 2019

Here I learned great management skills by being placed in a high stress environment with little experience. This taught me how to improvise and hold my bearings in high stress work environments.

### **Levi's Strauss & Co. , Charlotte — *Stylist***

JAN 2016 20XX - SEPT 2017

Great customer interaction experience and training as I helped each customer personally pick out the perfect pair of jeans! I also manned the dressing rooms, this taught me how to stay focused on the task at hand and to be very aware of my surroundings to stop customers from shoplifting.
